

## Consulting

Client-centered-philosophy has transformed DUOL into high professional textile architecture company, based on service understandings. The Client is invited to attend a significant part in all phases of project realization.

At DUOL, we strive to reach the highest level of quality in our business and we aim to make sure that your decision in choosing an air dome would be easier as possible.

We are specialized to consult about:

- Making a decision of sport field covering to choose air supported structure;
- Engineering a building;
- Developing of the project from idea to pilot drawings;
- Implementation of the project into local environment;
- Planning the auxiliary environment;
- Using a building.

We care about our clients. WeCare concept is our promise to you, that you will get from us best product, designed to your need exclusively.
